Dust  
Dani!

bin

He is a boy his name is Dani. He is the sidekick of sustainability suki. Dani is clever and fast. His super power is he can run fast jump high & pick up litter. His favorite challenge is when he fought the litter queen she put litter all over the town. So Dani stepped in and cleared the town by eating all of the litter and the litter queen was defeated. Everyone was so happy they even got him a flower for his hair. The next day he found a blowdown. Out side his window was a par but no one was there. There were many blowdowns in the air. Then he saw the litter queen dundun duuu! She was back!

Just then he punched her and she was beat. Just then flowers were falling from the sky. It was sustainability suki. It was so fun fighting the litter queen said Dani. I think there is someone there said suki. It was the trash monster he was throwing trash everywhere. He even throw it

The Litter Monster

On houses and cars and even dogs and cats.  
Just bin Dani fort the Litter monster. The  
Litter monster gave him pinch and Dani gave  
him slap. They fort and fort and fort until  
the Litter monster was so tierd that he dis-  
appeared. Dani won! Yay! Well done! Your so cool!  
but Dani wasn't so shure and he was right  
he saw a trail of litter so he follwed it.  
Littel did he know it was a trap. When  
he got to the end he found a cave. as he  
went in side bang! he got trapped  
in a cage well well well look who it  
is. who are you and why did you trap me.  
you know who I am. then show your self. oh I'm afraid  
I can't be that see you trapped me here and  
you'll do it again. I will becace you put  
litter all over the town. that's just I do  
wait. I know that vosie. uh no you don't.  
uh hu! The Litter queen. well you found me  
but you can't do anything about it oh yes I  
can. I have phone in my pocket wait where  
did it go. looking for this said The Litter  
queen. you are sheaky I am arnet I. you are but  
not sheaky enough. what said the Litter  
queen you thought I was for real no I have  
two phone just the he took it. I don't have a  
thered one. I know that why I took it  
said the Litter queen how am I going to  
get out of here Dani thought to him  
self. I got it when the Litter queen is sleeping  
I will eat the bars. oh yes graer ider said Dani

Litter Queen

so in the night he did it, but he felt something or someone and he was right it was the litter monster. Hey litter monster can we be friends, no said he, litter monster ok then ran ran ran but he was so clever he remembered the gate at the start of the trail so he locked it and he called soldier to be feayed. and every one was chanting:
