

Round Square Writing Competition

Write your story below (approximately 500 words):

Welcome to Teamwork HQ where Teamwork Tama is and his sidekick Helpful Henry who was a very helpful dog also, smart and generous. At first, Teamwork Tama didn't know Henry's magic, Henry could make images of people come to life. "Yeeyow" The alarm rang it was Self Aware Samba.

Tama answered the call "Tama people aren't using Teamwork," Samba's voice echoed. "is it those annoying plants again in portuagles?" Tama replied "huh-huh," Samba answered in a droopy voice "when they had the conversation Henry was booking plane tickets for portuagle."

When they arrived self aware Samba was waiting they got their luggage and set for Ronaldo's hotel close to the greenhouse "Tomorrow we have a trip for the greenhouse," Tama whispered

"Rinnngggggg," the alarm rang, Samba snoozed the clock "wakey wakey sleepy baby" Samba whispered into Tama's ear as quick as a bullet Tama was out of bed.

Round Square Writing Competition

"We are booking tickets to the Greenhouse," Samba told the admin of the greenhouse "where are the living plants?" Tama asked "we found another one" Tama brought up the pot with Henry's image of the living seedling "the living plants are in 3H" The admin said "I will go take this to 3H". When the image was there, they flew back to Teamwork Tower. The admin didn't know about the micro chip in the soil.

In Teamwork Tower's Henry was making the fake plant say "Hey we aren't the best!" The other plants were speechless "we were hit by gamma ray" it continued "will you guys be the second best plants?" looking at the trophies on the shelves "fine" they mumbled
