## Round Square Writing Competition

Write your story below (approximately 500 words):

Hi my name is Rhonda and I am Rami's sidekick. I would like to show you how to be like me. I am respectful, responsible and kind to others. I don't give up and I care for others. I try my best in everything I do, I help others when they need it and I show kindness and care for others.

Take yesterday for example I was on my way to school when I saw a little boy from pre-school fall over. I immediately ran over to help him exactly like Rami would do. Then I helped him up and took him over to pre-school. During lunchtime I was faced by a situation of choosing between doing the right thing and the wrong thing. I was playing handball and I was in dunce.

The handball came my way and I unfortunately I missed it. I didn't want to get out and have to wait in the line again so I thought about taking my handball and leaving the game. However, I realised that would not be fair to my friends so I choose to go to the back of the line. That's another thing Responsible Rami would do. Lastly that night I hid the TV remote from my family. At first I blamed my brother Billy and he got into trouble.

Then I saw how sad Billy was and I felt really bad. I decided I needed to tell the truth and own up to my behaviour. This is another trait of Responsible Rami. Being Responsible Rami

## Round Square Writing Competition

Sidekick is not hard. We can all make mistakes however, it's easy to make the world a safe and happy place by just being like Responsible Rami. It doesn't only make other people happy but it makes you feel good too.
